Please let us know if you have an allergy before ordering. This allows us to take extra precautions to make your meal as safe as possible.

Our dishes are prepared in environments where allergens are present. We do not have allergy free zones and therefore cannot guarantee that any of our dishes are completely allergen-free. All our deep fried dishes are cooked in the same fryers so there may be a risk of cross-contamination.

Whilst the ingredients used within our vegetarian and vegan dishes are suitable for these diets, said dishes are prepared and cooked in the same kitchen as the rest of the dishes on our menu. We cannot, therefore guarantee that they do not contain traces of animal products.
